Dear Mr Elias:

I am writing to enclose the final check
for the season 1944 for work done for The Negro
National Baseball League.

I am sure all the members were pleased
with the results.

Will you please let me know if the follo-
ing information is incorrect. I have these scoresheets
listed as not having been received by you.

July 31	Altoona
Aug. 1	Pittsburg
3	Washington
5	Baltimore
6	Baltimore

If I do not hear any more from you I will
know the dates above are correct. If there are any more
please let me know what they are, as there is a fine to
be paid by the club at fault.

Very Truly Yours
